### FEEDBACK REPORT FROM EMPLOYER

S.NO.	FEEDBACK	ACTION TAKEN
1.	Student managerial skills and leadership abilities need be further improved	Student empowered committees are formed in Student activities, Alumni & Placements, Training & Value-added programmes. These committees are monitored and guided by HoDs and Senior faculty members. All the activities such as planning to execution are carried by student committees.
2.	Student volunteering into new initiatives be enhanced	Students are trained in the areas of ownership with the help of activities. They are required to form in small size groups, identify and undertake new programmes that would either improve their professional competency or personal effectiveness such as their social media presence through LinkedIn or conduct of tech talks.
3.	Students align themselves to demanding needs of the industry can be further addressed and improved	Short term industry ready modules are offered to students based on a pre-assessment in specific technology areas.
4.	Technical knowledge of the students be further improved	In each of their tech subject specialisations, departments have mandated to present topics in the form of paper and/or seminars. These are reviewed by HoDs and/or senior faculty members and the necessary gaps are identified and fixed
